**Subject: Cochise Elementary School District No. 26**

Dear Mr. Horne:

We issued a procedural review report in April 2006, informing Cochise Elementary School District No. 26 that it had not complied with the *Uniform System of Financial Records* (USFR). Recommendations to correct the deficiencies were described in our report. The District was given 90 days to implement the recommendations in our report.

We subsequently performed a status review of the District's internal controls as of November 15, 2006. The purpose of our status review was to determine whether the District was in substantial compliance with the USFR as of the date of our review. Our review consisted primarily of inquiries and selective testing of accounting records and control procedures. The review was more limited in scope than would be necessary to express an opinion on the District's internal controls. Accordingly, we do not express an opinion on its internal controls or ensure that all deficiencies were disclosed.

Based on the number and nature of the deficiencies noted in our status review we determined that Cochise Elementary School District No. 26 still has not complied with the USFR. Further, as of the date of this letter, we have not received the District's audit reports for the years ended June 30, 2004 and 2005, and USFR Compliance Questionnaire for the year ended June 30, 2005. These reports were due by March 31, 2006. Consequently, the District has not complied with the USFR and state law in regard to report submission. Therefore, we request that the Arizona State Board of Education take appropriate action as prescribed by Arizona Revised Statutes §15-272. The District's deficiencies and our recommendations are described in the enclosed status review report issued March 13, 2007, notifying the District of its continued noncompliance.

The Honorable Tom Horne
